A WORD FROM THE COLTS CHAIRMAN Sam Surendran

Dear Parents

I hope you had a wonderful Xmas and New Year, and now looking forward to the new cricket season with your children. Summer will be upon us soon and we can all enjoy playing and watching cricket, something that we all enjoy.

Please let me briefly introduce myself. My name is Suren and I feel so privileged to be the new MTSSC Colts Chairman. I have been involved with Colts for over 10 years, first as a keen parent, then as Manager and finally as Colts Chairman for 2 years, from 2012 to 2013. So you could say I came through the ranks at MTSSC Colts and have a reasonable understanding of the strengths and weaknesses of our Colts.

As your new chairman I promise that I will be working very hard to keep this club moving forward so we can develop ourselves to the fullest potential. I would like our club to be open to all ideas so if you have any questions or concerns, please do not hesitate to bring it to the attention of our committee. We are a small club but with lots of potential, and I always believed that our biggest asset in our Colts set up is the support of the parents. We achieved many things like Club Mark and artificial pitch with your support and I am confident that we will continue to have the full support of the parents in the future too.

We all know cricket is an expensive game and my aim is to bring the Colts subscription down so it is affordable to all parents. In order to do that, we need to increase our Colts intake especially in our U9 and U11 age groups. We have just started a Colts recruitment campaign and we are looking for your support. If you know of anyone who wants to join a cricket club please let them know of our club.

In addition, we urgently need a few more sponsors for this year. If you know of a company or a contact that would like to be in partnership with MTSSC Colts please ask them to get in touch with us or let us know their details.

Whilst we are on the subject of subscription fees, may I please request that do not delay the payment as it helps our club to continue functioning and better the cricket playing needs. Without taking any more of your time, I would like to say that I have been delighted with the warm welcome I have received, and I am looking forward to the chance to broaden my acquaintance with you all over the coming season.

I want each and every parent to feel part of MTSSC Colts, and this club can become home from home to all of you. As a small step towards this aim, we will be distributing this monthly News Letter via email from this month so you are all aware of what is happening in MTSSC.

Sincerely,
Suren Surendran
MTSSC Colts Chairman
